L-Cysteine	592 mg	L-Methionine	460mg*	L-Tyrosine	678 mg
L-Glutamine	4230 mg	L-Phenylalanine	640mg*	L-Valine	1245mg*
Glycine	368 mg	L-Proline	1212 mg	*Essential Amino Acids	
L-Histidine	356 mg	L-Serine	1069 mg		

INGREDIENTS: Cold-ultrafiltered whey protein concentrate with protein microfractions intact, "Amino Shuttle 2" (dextrose, L-Algerine, taurine), L-Leucine, acesulfame-K, xanthan gum, sucralose, natural and artificial flavors (milk cream, banana).

ALLERGEN INFO: Manufactured in a facility that processes milk, soy and egg proteins, and peanuts!

USAGE: Dissolve 1 serving in 250 ml liquid. The number of servings used for one shake and per day depends on your individual nutritional needs! Primarily use around training.

Whey is the best source of protein due to its effects on muscle mass when combined with weight training. It's considered high-quality because of its abundance of essential amino acids that are necessary for stimulating protein synthesis and muscle growth. Whey Best is enhanced with leucine, glutamine and taurine, the most important protein synthesis stimulating and muscle cell-volume boosting amino acids in muscle tissue! In summary, whey protein is the best for muscle growth, recovery and health! Aspartame free product!

Store in a cool, dry place. Heat and sunlight may damage the bag!
